

FJFC Under 11 Gold

Round 15

From The Coach's Box

Ouch, U11 Gold's land back to earth!

It was a very evenly fought game on Sunday and there were some terrific contests across the ground with both sides having 11 scoring shots each. We were a little wayward up front when using the wind and couldn't convert our opportunities. The great thing was that we again ran home strongly in the last quarter to outscore Kew Rovers into the wind and this is something we have consistently done over the past two months. Over the next two weeks we will focus on our team plays, running and goal shooting to round out our preparation for the finals campaign.

Well done to **Lachlan Whitehead** who was our team captain this week and worked hard on the forward line for his team. Thanks to our emergencies, **Oskar Catoggio, Hugh Curnow, Henry De Oliveira and William Gough** who came along to support their team mates and both Oskar and Hugh got a game this week.
