

FJFC Under 12 Gold

Round 1

From The Coach's Box

"A tough one to kick off the season"

It was certainly a tough first half of football for our team on Sunday after a very limited preparation coming into the game and so it was pleasing to see that we really knuckled down in the second half and strung together some good passages of play. Forgetting the score at the main break we added four goals to Kew's seven after half time and were very competitive. I was really impressed with the work rate of all our players and particularly the fact that we did not give up and ran the game right out to the end. I am looking forward to our training this week where we can start to build up our team work and prepare for next Sunday when we take on Surrey Park at the "Rams Den".

Well done boys, it may not have been a win but it was a great start to our 2007 season and I am confident that we will improve with each week of football.
