## From The Coach's Box

### “U12 Gold triumph over Camberwell”

It was another tough Mother's Day encounter with Camberwell - where the football was not always pretty. But I was very pleased to see that when the game had to be won in the third quarter, we rose to the occasion. Working hard as a team to regularly deliver the ball into our forward line and put the game beyond Camberwell's reach. Our dominance in the second half was reflected in the fact that we had 17 scoring shots to 8 for the entire game. It was good to see more consistent passages of play with more players sharing the ball around and looking for team mates at all times. I would like to see an improvement in our overall kicking to position and we will work on this at training this week. Well done boys, we have moved into the top four in what will be a very even competition.
