

FJFC Under 12 Gold

Round 5

From The Coach's Box

“Four in a row as U12 Gold kick straight to beat Canterbury”

In typical gusty conditions at Ramsden Street on Sunday I was really impressed with our hard work and commitment in the first half. We got first use of the ball out of the centre and ran it into our forward line with some good team work to convert each time. We then defended really well in the second quarter, keeping Canterbury to one goal. This was where we won the game and it was fantastic to see everyone in the back line working hard for each other. Our second half was a game of grit and determination as the wind picked up and all our players did their best to stick to the match plan. We will need to play right up to our best form this coming Sunday if we are to beat Bulleen who have proven to be very hard to beat at home. I'm looking forward to this game.
