

FJFC Under 12 Gold

Round 11

From The Coach's Box

“U12 Gold - winning streak exceeds the current housing interest rate”

After a tight struggle in the first half Tom and Andrew made some key positional changes at the main break, challenged the team to win both quarters after our fade out last week and we hit the “go” button to run away comfortable winners on the day.

Ten successive wins is a great achievement at any level of sport and what is most pleasing is the way we have achieved this by playing outstanding team football this season. The commitment at training and on match day is a credit to the boys and we look forward to taking on an in form Canterbury this Sunday in the late game of the round. Go the Roys!
